

Welcome to Canada's Premier Gift Market for leading brands and creative retailers.

ACCEPTABLE COMPANY AND BUYER IDENTIFICATION

Why do we ask retailers to provide their Business documentation for Registration?

It's simple. At the Canadian Gift Association, protecting your business is our business!

Exhibitors and visitors to our events make a substantial investment in the CanGift Markets. By asking you to provide documentation identifying you as a retailer, and not a member of the public, we are maintaining the integrity of your business while ensuring exhibitors meet their most important customer – you.

What documentation do I need to provide to register my company?

As the owner of the company, you will need to provide Company identification which includes your name on the document, and a completed registration form. If you are adding an employee who is an authorised Buyer, please provide us with their Buyer identification. Email all documents to registration@cangift.org.
